Enter the property via electric gates into the fully fenced grounds and you are greeted at the main entrance with it's beautiful timber pivot door that opens up to a very spacious living area. From the front door you can see the stunning salt water pool and water feature. The open plan kitchen has a large ceasar stone bench top, well equipped European appliances and a stone servery under the very roomy covered patio overlooking the pool. High ceilings and wide hallways create a cool summer house in the country. There is a media a room for private viewing of the latest movies.

The master bedroom looks over the pretty bush reserve, has a large walk-in robe and a hugh ensuite with double basins and very spacious double shower. The other end of the house has one guest bedroom with a private ensuite plus another two bedrooms with private bathroom and separate toilet. There's lots of storage throughout the house, has a convenient vacumn maid and is fully airconditioned. From the pool you
