

Live in the Granny Flat While You Build

- * Rainforest at The Rear the Block next to a level Picnic area
- * Bitumen Driveway and front fence / gate.
- * Very comfortable granny flat with bathroom, solar power, water tanks and septic system.
- * Shed with toilet & vanity; tv, air conditioning, and power.

This property is sloped, private and would ideally suit another residence on poles. The current owners had plans to build out from the verandah of the existing granny flat but then became so comfortable there they decided they didn't need to.

Summary:

One bedroom granny flat, approved for living.
Approved shed with toilet.
Garden shed on a slab.
Garden shed at the rear of the property.
