

TEEWAH – unique holiday or alternative lifestyle

A 4WD beach access only, BEACH front community within 30 minutes of NOOSA (9 kms) on the SUNSHINE COAST...Noosa's best kept secret!

- * Teewah is unique that it is a beach front community that is surround by NATIONAL PARK which is proposed as WORLD HERITAGE LISTING.
- * Yet this is Freehold real estate.
- * This very delapidated old two storey (five bedroom), beach house is only 50 yards to the beach.
- * It is adjacent to multi-million dollar homes, however this property needs some serious work or alternatively demolish and create your own brand new beach cottage.
- * No more need for those expensive overseas holidays - why not live permanently?
- * Throw us an offer that we cannot refuse, to own something uniquely different!
