

New FREEHOLD Terrace Home within 2 km from the CBD Bris

Completed April/May 2017 - only one three bedroom terrace home available. Urban Construct builders have commenced site works at the Manhattan Terrace Project West End as sales momentum sets a cracking pace for momentum. The Developer has appointed Queensland based Condev Construction to build the 80 freehold Terrace Home complex which has started sooner than expected with over 85 per cent of properties sold.

Unique Inner Brisbane Investment 2 km from the CBD. A new paradigm of living. Designed by a team of award winning local architects, Manhattan Terraces brings a unique opportunity to own a piece of West End lifestyle that is timeless, luxurious and elegant. These beautiful, well thought out, contemporary terrace homes are the height of sophistication in design, with each magnificent property unique and individually titled. Modern and immaculately designed these open plan layouts provide the owner with a sense of space and grandeur.
