Adjacent to these 4 bedrooms is the main bathroom & a separate family room that is set up for teenagers/visitor's retreat. The 4 bedrooms have sliding doors opening out to a timber deck that overlooks tranquil aspect of the acreage. Every bedroom has tv points & set up for smart tv's and usb points. Just off the family room is a 6th bedroom, could be a home gym or children's play room, with a powder room next to it.

The main bathroom is open and airy, free standing deep bath to have a wonderful soak in and relax, (put candles in the niche space to add ambience while you enjoy), open shower with seamless glass screen, floor to ceiling tiles.

Master suite is in another wing of the home, huge with parents retreat, a walk in robe (every women's dream), ensuite is very open and airy like the main bathroom, no shower screen to clean (wonderful), double shower, double vanity with stone tops and ample storage.

Wake up in the mornings to an amazing aspect out to the pool & your own spectacular acreage, watch the kangaroo's grazing at dawn. Sliding doors out to a timber deck for that morning cuppa.

Adjacent to the living is a dedicated open office/study with built in desks, storage and NBN port.
