The floorplan gives plenty of room for all the family. Upon entry is the open plan living / formal dining room. The air conditioned master bedroom with walk in robe and ensuite is off to the side. The remaining bedrooms are conveniently located near the main bathroom and separate toilet. The kitchen is large with a lovely bay window overlooking the patio and established gardens. A breakfast bar, an abundance of storage and loads of bench space complete the picture. This room acts as the hub of the home and is open to the rear dining area complete with glass sliders direct to the patio.

An enormous air conditioned family room is a bonus addition and runs across the entire width of the home at the rear. It is light, bright and airy, overlooks the backyard and has external access.
